Cool Milk –

Please note that children's milk is not being delivered until 20th Feb next term. Therefore there will be no milk provided on the Monday 19th. You will receive a credit by Cool Milk in due course if you have already paid.

Message from the kitchen –

For those of you with younger children, particularly Year R and Year 1, please continue to encourage your child to practice using their cutlery skills over the half term break. It would be a big help if they were able to cut up their own food which will free-up staff for other kitchen duties. We realise that this skill can be a tricky one to master! Practice makes perfect 😊

Glynis – As you are all now aware following Mrs Green's letter earlier in the week, Glynis will be sadly leaving us before the end of the summer term. We are holding a tea party on Thursday 15th June after assembly so all parents and staff can say their goodbyes. If you would like to make a donation towards a leaving gift for Glynis, please pass this on to the office staff or a clearly marked envelope for your child to hand in .

SPORTS FOR SCHOOLS

We have recently signed up to the Archant 'Sports for Schools' programme. Tokens will appear on the back page of your newspapers. Please encourage all extended family members, neighbours and the like to collect these vouchers on behalf of the school. We have a designated box in the foyer for tokens. The more tokens, the more sport equipment donated. All children at the school will benefit.

Casma Concern on Tuesday

A massive 'Well Done' to the school choir for quite frankly, what only can be described as an amazing performance. Children and parents all really enjoyed the event. We've had such positive feedback from parents and the organisers of the event for well behaved and well mannered children. If I can quote from a few parents..... (it's a slow news week)

"Can I thank Mrs Thompson for all the hard work that she puts in to enable our children to be involved with Casma.

What a fantastic performance and extremely educational. For the children to work with professional musicians, singers and Indian dancers. What a cultural experience it was. The children enjoyed every minute of it"

"It was fantastic!!"

We MUST thank Mrs Thompson for her sterling efforts ☺ Its really lovely for us to receive such positivity.

World Book Day

Thursday 1st March – dress as your favourite character from a book or story. Details to follow next term.

INTERNET SAFETY WEEK

This week we have reiterated the importance of being safe on-line. Children were taught that you don't know who you are speaking to on-line. This was demonstrated to the children using these face masks.
